Overview

Each member of the team is a leader of the organisation and so their attitude, behaviour and conduct portray the culture and values of the organisation both, internally with peers as well as externally to other stakeholders

Learning Outcomes

By the end of the session, you will have an understanding of

- Organisation culture and values
- Difference between attitudes vs behaviour vs conduct
- Shift from personal views on attitudes, character and behaviour to a standard professional view of the same at PILL
- Adopting measurable / objective parameters of professional behaviour and attitudes at PILL
- Our commitment to change 3 things for positive results
